From the Desk of Your President

On March 14, the Waterford-Halfmoon Fire Department presented our Halfmoon Seniors with a donation of \$850. This was a generous donation from our local fire department, and we thank them very much.

We would like to welcome our new Director James Hayes. Please welcome him to our center. He will be working with the recreation program as well as with us.

Also, we would like to thank Jenn Harrell for all the help she gave us since October in keeping all of our programs and also new ones up and running. We want to continue working with her as she is an asset to our organization.

The new swipe card system seems to be working, and I appreciate your patience. If you are having trouble with your card, or if you have any questions or suggestions for our Halfmoon Senior Citizens Association, Please let me know.
