## All proceeds go to our Annual Reach Out For Youth Campaign.

Reach Out For Youth is a scholarship program dedicated to Strengthening Our Community!

Together, we can change lives for the better.

Helping others is at the heart of the Y, and has been from the start. With your help, we strengthen the foundations of our community when we help those in need. Families, children, and adults from across the Capital Region benefit when you support our Reach Out for Youth scholarship program.

The presentation of your work is important! Factors such as matting and framing greatly enhance your work.

- Consider that Framing should be sturdy.
- You should have proper wiring. The wire should not be seen above the top of the frame. Do not use fish line.
- We do not accept frames with just saw-tooth hangers.
- We do not accept easel frames, which are meant to sit on a table, with an arm that sticks out.
